DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:
2. Claims 5 and 9 are allowed because the closest prior arts, Pollock (WO 97/01253) and Erola et al (US 6,092,133), either singularly or in combination, fail to anticipate or render obvious that receiving a notice of a customer ID of an IC (first) card from a person from whom an IC card for settlement mounted to the mobile device, the mobile device which becomes available in a state of mounting an SIM (second) card, is lost or stolen; a step giving an identification for stopping use of the IC card to an application management number of a database, which stores the application management number that is set for each mobile device by the IC card management center so as to be a number corresponding to the customer ID as argued by applicants.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
